Observations... From Around Town

(BY JAY WHOZIT)

This week we celebrate the feast of Thanksgiving—we can and should give thanks every moment of our lives for the fact that ours is such a bountiful land. There may not be as much of everything as some of us might like—but we've learned to be practical, and substitute what there is plenty of to supplement what there is little of and so we are happy and happiness is much to be thankful for. Speaking of being thankful, many of our citizens whose homes and furnishings were destroyed by the recent hurricane will give thanks this year and for many years to come for the fact that there is such an organization as the American Red Cross, through whose untiring efforts many local families have been given new household furnishings and materials with which to rebuild their homes—and we should thank Almighty God for the many favors bestowed upon us through the year, and particularly for having saved us during the hurricane. The Thanksgiving Food Drive for the needy people of Europe continues through this week to November 30th, with containers being placed in all the grocery stores of the city where contributions may be dropped by the buying public. Homecoming at Stanislaus last Sunday was a gala affair, with the barbecue, football game and dance highlighting the occasion; Mr. Michael Irwin, of New Orleans, succeeded Mr. Brittman P. Landry as president of the Alumni Association. Next Thursday and Friday, Dec. 4-5, the motion picture, "The Spirit of West Point" starring football stars, Felix "Doc" Blanchard and Glenn Davis, his teammate, will be shown at the A. & G. Theater, every local football fan will want to see it. The incessant rains of this month have played havoc with the temporary shell beach road, causing deep ruts and holes in many places, it is hoped that the city officials will fill these holes with shells or gravel in order to keep this road open for public use until such time as permanent repairs can be made. The Citizens Rehabilitation Committee of Waveland, Lakeshore and Clermont Harbor, in a notice elsewhere in this issue, call attention to the fact that a meeting scheduled for this Saturday, November 29th, has been postponed to Saturday, December 6th, and ask those interested to please take notice. L. & N. commuter service on trains 9 and 12, between New Orleans and the Gulf Coast will be resumed effective December first, according to an announcement made this week, by Mr. R. A. Stanton, General Passenger Agent of the company. Over in Louisiana a common ordinary work rule this week became the principal figure in a \$50,000.00 damage suit in which a negro tenant farmer demands custody of the animal. What-a-mule, must be first cousin to Whirlaway or Seabiscuit. The Little Theater Minstrel Follies, under the direction of Mr. John Bell, will be presented next week on Thursday, Friday and Saturday nights, December 4-5-6 at the Carroll Avenue playhouse. This will close the Little Theater's 1947 program, which, except for interruption by the September 19th storm, proved highly successful and a credit to the active members of the organization. Pere LeDuc Council 1522, local Knights of Columbus, held Memorial Services on Wednesday night of this week, honoring the memory of their departed brother members. Robert L. Genin, prominent Attorney of Bay St. Louis, for the second consecutive year has been named a vice president of the Mississippi-Alabama Division of the Mid-Continent Oil and Gas Association—Congratulations. There is an ordinance known as ordinance No. 12 on the minutes of the Commission Council of the City of Bay St. Louis, which provides for FIRE LIMITS and the construction, equipment and maintenance of buildings within the City of Bay St. Louis and the penalty for violation thereof. The Beach Boulevard on both sides from State to Union Streets is in this area—Section 2 of the ordinance provides: No wall, structure, building or part thereof shall hereafter be built, enlarged, or altered, until a plan of the proposed work together with a statement of the materials to be used, shall have been submitted in duplicate to the Public Utility Commissioner who shall, if in accordance with the provisions herein mentioned, issue a permit for the proposed construction. Structures hereafter erected without permit or not in conformity with this ordinance, shall be removed—may we ask the Commissioner of Public Utility if the plans for the erection of buildings now in the course of construction were submitted to him and if they were, do they provide for a fire proof building as set out in your

ST. STANISLAUS CELEBRATES HOMECOMING

St. Stanislaus celebrated Homecoming last Sunday with one of the largest crowds in many years. Many Alumni, former students, and Parents and friends of the students were on hand to make the day memorable.

Holy Mass was celebrated in the College Chapel for the convenience of the visitors by Rev. Sherman Cobb, OSB, an alumnus of St. Stanislaus in the class of 1933. Father Cobb said Mass for the Community and Student body at 7 o'clock. At this Mass he spoke to the students on the happiness of a Religious vocation.

Immediately following the ten o'clock Mass, the Alumni went into the Study Hall for a meeting. They were greeted by Brother Peter, President of St. Stanislaus. Mr. B. P. Landry, president of the association called upon the men for nominations for the presidency of the Alumni.

Mr. Michael M. Irwin, prominent attorney of New Orleans, and former Assistant Attorney-General of the State of Louisiana, was elected President of the St. Stanislaus Alumni Association.

The following vice presidents were elected in the order named: John Scaffie, Gordon Reddy, and David Assaf. The Executive Committee will be: Rev. Sherman Cobb, OSB; Jake Hassinger, R. J. Schexnayder, Guy Caine, and Pat Wilson. Brother Edmund S. C., was elected secretary and Treasurer.

A barbecue lunch was served the visitors on tables that had been set on the campus. Some six hundred enjoyed the repast to the full.

At 1:45 the Stanislaus Band led a parade from the Campus to the Stadium. The Homecoming Queen and her Maids took the honor position in the parade immediately after the band.

Miss Thelma Namais, the Homecoming Queen received a beautiful bouquet of Chrysanthemums. A corsage of flowers was given each of the Maids by Mr. Leo Ford, President of the St. Stanislaus Sidelines Club. The Maids were: The Misses Rita Mae Scaffie, Clyde Creighton, Jerry Martin and Patsy Gex.

The Homecoming game with Catholic High Bears opened up at 2:30. The Rockchaws outplayed the visitors on the ground gaining 12 first downs to 7, but a few passes, a couple of bad breaks, and fumbles on the part of Stanislaus was the difference in the two teams. Catholic High took the game 26 to 0.

At 8 P. M. Sunday evening, a dance was held in the College Gym attended by Alumni, Sidelines Club Members and Students. The Queen and her Maids were escorted by the Officers of the Senior Class, on arrival at the stage they were met by Mr. Leo Ford who presented the Queen and each of her Maids, beautiful favors, as souvenirs of the 1947 Homecoming. Music for the dance was furnished by the St. Stanislaus Swing Band under the direction of Brother Romuald. A feature of the evening was the introduction of members of the Alumni who were former members of the Stanislaus orchestra. They took their former places in the band to allow the present members to participate in the dance.

Altar Society News

The apron sale which was held on Saturday and Monday was quite a success, a substantial sum being realized.

The ladies who had charge wish to thank Mr. Emile Gex for his generous donation of the use of his building, and Mrs. Pitre of Pitre's Baby Shop for her assistance in various ways.

And of course many thanks to the members who donated aprons and the customers who bought them. As so many members were not able to help with this benefit, it is felt certain they will make up for it by helping with the Turkey award which will be held the week before Christmas.

Next Meeting of S. J. A. Parents' Club, Tuesday, December 2nd.

The regular monthly meeting of the St. Joseph Academy Parents Club will be held Tuesday, December 2nd at 8:15 p. m. in the Den. All members and friends are cordially invited. Co-hostesses for December will be Mesdames John Damborino and W. L. Reder.

ordinance—if the City Fathers feel that the ordinance is not justifiable they should have courage enough to repeal it and not make a play thing of the laws they have on their minute books—we are disillusioned—since you published your notice to the public saying you would enforce this particular ordinance sometime ago.

COLUMN OF EVENTS TO BE CARRIED IN ECHO

We are planning to carry a column of events in the Echo each week. This column will be permanent and will give the time of the various church services in Bay St. Louis and other sections of the county. The time and place of meetings of the various organizations.

At the present time we have some of the information on hand and our Reporter Miss Mae Edwards is trying to get together the balance. If you are interested in any one of the many organizations won't you please help out by calling her at 132 or 448, or call the Echo office and give the information.

We are going to include in this column the colored churches and organizations also.

We feel that this column will serve a public need, as there are many conflicting dates in meetings of the various organizations, and this may help to clarify the situation.

American Red Cross Disaster Relief

As the date for closing the Disaster Relief Operations in Hancock County approaches, emphasis is being directed toward the completing of inventories, return of borrowed items and the payment of outstanding bills according to local Red Cross officials.

It is requested that any merchants or individuals having bills against the Red Cross see to it that they are presented for payment without delay. The local Red Cross Disaster Office at 131 Carroll avenue, Bay St. Louis will remain open until December 15th, after which time all inquiries should be directed to the Hancock County Chapter in the Courthouse.

Knights of Columbus To Sponsor Dance

As you probably already know, the Knights of Columbus are sponsoring a dance to be held at the Knights of Columbus Hall on Saturday evening, November 29th, at 8 o'clock p. m. This dance is for a very worthy cause, namely to help purchase Christmas baskets for the poor people of ours and the surrounding parishes.

The hall will be styled as a night club and the admission price will be \$1.50 per couple or \$1.00 for single. Make your reservations now. Call W. Thibault, Theo Stechmann, A. Genin, or Pete Benvenuti.

Announcement To Little Theater Members

Tickets for the Little Theater Minstrel Follies of 1947 will be sent by mail to members during the coming week. Tickets for any other available seats will go on sale at deMontuzin Drug Store at the same time.

Preparations for the minstrel which will be presented on December 4th, 5th and 6th, are now being completed and the show promises to be one of unusual entertainment, with an array of outstanding new talent. The "Minstrel Follies" will close the 1947 Little Theater season.

Miss Barbara Dresher Elected to Honorary Society At Tulane

Miss Barbara Dresher, has been elected to The Greenbacks, an honorary society of Tulane University and Newcomb College. The requirements for membership are based on scholastic standing and extra curricular activities.

Miss Dresher is a graduate of Bay High and was one of five Newcomb students elected to membership in this society and was the only undergraduate elected. The other girls were members of junior and senior classes. Miss Dresher has also had the distinction of having been named on the Art Committee for Orientation.

Miss Dresher is the daughter of Mr. and Mrs. A. D. Dresher of Waveland, former residents of Bay St. Louis.

Knights of Columbus Hold Memorial Services

Wednesday night, Pere LeDuc Council held Memorial Services for departed brothers during the past year. This solemn ceremony was carried out in a most effective manner by officers of the local council. This coming Saturday a social in the form of dancing will be held at the Knights of Columbus Hall on Main Street. This affair is in charge of Peter Benvenuti, Chairman of Council Activities and he promises an enjoyable evening to all members that attend.

Sunday, November 30, candidates for admission to the Knights of Columbus will be taken to Biloxi, Miss. where they will receive exemplification of the first three degrees of the order.

IRWIN HEADS ALUMNI ASSOCIATION

Mid-Winter Meeting Planned At Homecoming Conclave

The St. Stanislaus Alumni Association met Sunday morning as a feature of the Homecoming program. Upwards of a hundred men met in the big study hall.

Brother Peter, President of St. Stanislaus greeted the men and welcomed them to the College. Mr. Brittman P. Landry, outgoing President, took over the gavel and called for nominations for officers.

Mr. Michael M. Irwin, prominent New Orleans attorney, was elected President of the Alumni Association without opposition.

The following Vice Presidents were nominated and elected in the order named: John Scaffie, Gordon Reddy, and David Assaf.

The Executive Committee will be: Rev. Sherman Cobb, OSB; Pat Wilson, Dick Schexnayder, Jake Hassinger and Guy Caine. Brother Edmund S. C., was elected secretary-treasurer.

The officers and the Executive Committee will meet with Brother Peter in the very near future to plan and outline a midwinter meeting of all interested Alumni for a get-together in New Orleans. Due announcement of these plans will be sent all Alumnus as soon as plans materialize.

It was moved by Father Cobb, and passed that a Mass be held each Homecoming Day for all departed Alumni and Brothers of the Sacred Heart, as well as all living Alumni and Brothers. An amendment to this asked an Alumnus of St. Stanislaus be the celebrant of this Mass, if possible.

Among those present for the Alumni meeting were: Linden Braud, '40; W. J. Bontange, '47; Pat Wilson, '46; Dick Herbert, '43; Emile Salvo, '47; Louis Perez, '41; Pete Benvenuti, '43; Michael M. Irwin, '16; Jas. Martin, '46; R. Champagne, '44; Ed. Little, '41; Chas. Flink, '35; Ed. Rousseau, '43; Walter Schexnayder, '12; Dan Evans, '43; J. Taconi, '46; Omer Leubert, '28; Joe Kersch, '46; Arceneaux, '40; David Assaf, '40; Gordon Reddy, '18; Britt P. Landry, '21; Adrian Bancker, '39; Joe Van Cloostre, '34; Carl Banderet, '35; Rev. S. Cobb, OSB, '33; M. Nelson, '47; Jake Hassinger, '17; Dr. John J. Irwin, '12; Albert Mallard, '18; Gene Monti, '38; Curtis Matherne, '33; Bahan, '47; Owen, '47; Asa Royal, '41; D. Kuyler, '43; Pete Monteleone, '17; Marion Green, '14; Hugh Posner, '33; Geo. diBenedetto, '31; Bernard Blaize, '30; J. C. Roland, '33; Teddy Posner, '31; Ben Lilley, '31; Marcel Gueniot, '30; Hugh Ryland, '31; Guy Caine, '25; Sam Cerniglia, '22; P. de Burgulieres, '32; Dominic diBenedetto, '40; Rene deMontuzin, '28; Dick Schexnayder, '25; Bill Cassidy, '25; Walter Gex, '24; Frank Kiefer, '44; Ralph St. Amant, '46; Donald Arceneaux, '45; Bert Jackson, '22; Ewell Brignac, '26; James Brittingham, '23; John Pugh, '25; Sprague Pugh, '24; Milton Reisch, '20; Julius Lopez, '04; Leo Indest, '42; Richard Ranson, '43; J. H. Bonck, '47; R. Ramelli, '45; Bob Henry, '47; Stoney Dale, '47; Sam Blanchard, '47; Bob Johnson, '47; Eddie Steiner, '45; Carl Johnson, '46; Maurice Bonin, '37; Horace Kergosien, '20; Alvin Genin, '28; John Scaffie, '29; Emile Larroux, '28; Alden Mauffray, '24; Berch Wilbert, '23; John Bryan, '37; James Bryan, '41; Erby Didier, '17.

There were many others on the grounds who failed to register, or who arrived just in time for the football game.

Bay High Chorus Club Gives Dance

The members of Bay High's Girls' Chorus Club entertained their friends with a dance and program of entertainment on Wednesday evening, November 27th, in the music room of the school which was artistically decorated in the club's colors, green and white.

Participating in the entertainment were Gloria Biehl, Charla Russell, Audrey Mays, Horace (Red) Davis, and Tommy January.

Those attending were Betty June Moran, Leeman McHenry, Gay Gonzales, Johnny Philip, Charla Russell, Wilbert Adams, George Mayes, Irvin Prevost, Jean Pritchard, Clyde Landry, Audrey Mays, Horace Davis, Irene Fricke, Pete Walker, Francis McAlpin, Curtis Taconi, Joyce Middleton, Lawrence LaFontaine, Gloria Biehl, Truman Schultz, Marjorie Martin, Mary Ellen Favre, Clara Fuchet, Dolores Carver, Joyce Peterson, Tommy January, Hilton Smith, Tommy Casey, Teddy Morel, Pansy Parker, Bruce Bourgeois, Odell Bennett, John Ladner, Patsy Poyadon, and Andy Gray.

The stars were Tommy January, Tommy Casey, Hilton Smith, Teddy Morel, Martin Noto, Brude Bourgeois, Odell Bennett, John Ladner, Girls' Pansy Parker, Mary Ellen Favre, Patsy Poyadon, Dolores Carver, Joyce Peterson.

DRAMATIC CLUB MEETS

The first Dramatic Club meeting of the year was held in the S. J. A. library Monday evening. The chief business put before the club was the election of officers and plans were formulated for the future adoption of new members. The result of the election was as follows:

President—Jane Blair.

Vice President—Thelma Namais.

Secretary—Gloria Martin.

Treasurer—Pat Gex.

Publicity Manager—Gaynell Gex.

Business Manager—Virgil Dick.

Since all of the girls who intend to participate in the tryouts are anxious to be chosen, and each promises to be a good prospective member, the veterans of the club are going to be put on the "spot" December 2, when they will choose a limited number of new members from among the tryouts. Sister Dorothy, directress of the Dramatic Club, promises a very active and enjoyable year.

Dr. William L. James Dies At Gulfport Hospital

Mr. and Mrs. T. L. James were called to Gulfport this week by the illness and subsequent death of Mr. James' father Dr. William L. James who died at Memorial Hospital late Sunday evening. Though in failing health for some time his death was unexpected and came as a shock to his family.

Dr. James was 61 years of age and was a native of Union, Mississippi, but had been a resident of Gulfport since 1923. He practiced dentistry there until his failing health made it necessary for him to retire.

Funeral services were held from Reiman's Chapel on Tuesday morning, the Rev. P. S. Dodge, pastor of Grace Memorial Baptist Church officiating. Interment was in Greenwood Cemetery. His pallbearers were Dr. J. E. Harper, Dr. Brown Rogers, Dr. R. E. L. Stuart, Ed. Duboussan, A. C. Britt, P. M. Kramer.

Dr. James is survived by his wife Mrs. Annie Reagan James, four sons, T. L. James, Bay St. Louis; P. H. and O. E. James, Gulfport, W. R. James, Highland, Texas; one daughter Mrs. H. L. Dawkins, Highland, Texas; nine grandchildren and one great grandchild.

Going from here for the funeral were Mr. and Mrs. H. L. Witter, Mrs. Stanley Canine.

Picayune YMCA Pee Wees To Play New Orleans Recreation Bantam League

The Picayune YMCA Pee Wees, composed of boys 125 pounds and under, will meet the champions of the New Orleans Department of Recreation Bantam League in the first Jaycee Bantam Cup game next Saturday, November 29, it was made known by Picayune Junior Chamber of Commerce officials this week. The game will be played on the Picayune High school athletic field, kickoff at 8:00 p. m.

According to Jaycee officials in Picayune, the Cup game will be an annual affair and two of the top 125 lb. teams from Mississippi and Louisiana will meet each year.

Ernie Gould, Director of Athletics for the New Orleans Department of Recreation, was very enthusiastic as he accepted the bid for the Cup game this week. He was on hand to watch the Picayune Bantams defeat Bogalusa 7 to 6 two weeks ago, and stated they would give any team in New Orleans a real battle.

Picayune has recorded five wins to date, without a setback. They defeated the Bogalusa team twice, 12-0 and 7-6, smashed Lumberton, 38-0, rolled over St. Stanislaus, 32-14 and added their fifth last week ended by smothering Pass Christian, 19-6.

Tickets are on sale by members of the Picayune Junior Chamber of Commerce and at the gate before the tilt gets underway next Saturday night.

RED CROSS NOTES

On Tuesday afternoon, November 25th the ladies of Christ Church Episcopal Guild entertained thirty veterans from the Gulfport Veterans Hospital with a Thanksgiving Tea at the Parish House. The ladies in charge were Mrs. N. L. Carter, Chairman, Mesdames Walter R. Meade, A. D. Dresher, E. N. Spence and John Bell.

These ladies were assisted in entertaining by Mesdames W. H. Sellers, John McDonald, Don McCullough, and Richard Shadoin.

Mrs. Sellers added greatly to the afternoon's enjoyment by playing many of the boys favorite songs for group singing.

Each month a group of veterans of both World Wars are given this outing through the courtesy of some local organization and the work is carried on through the Red Cross Community Services to Camps and Hospitals.

MORE THAN 56,000 RURAL TELEPHONES ADDED BY SOUTHERN BELL SINCE WAR

57,465 Poles and 21,637 Miles of Wire Put In During First Ten Months of 1947

The Southern Bell Telephone and Telegraph Company has added 56,554 more telephones in rural areas since the war ended J. C. Dabney, Manager, announced today. This means that Southern Bell has over 100 per cent more subscribers in rural areas now than on V-J Day.

A gain of 9,300 telephones in rural areas in the past 4 months brought the increase for the first ten months of 1947 to 18,665 telephones. By the end of the year, Southern Bell is expected to approach the 62,000 mark in their post war drive to add more than 155,000 rural telephones—the three to five objective announced in 1945.

Despite the strides made in connecting new customers, the continuing demand for service is such that there were 56,092 unfilled applications for Southern Bell telephones in rural areas at the end of October.

Every effort is being made to accelerate the program still further, Mr. Dabney said, in order to fill these applications as soon as possible.

During the first ten months of this year, Southern Bell built additional rural lines at the fastest rate in history. The 57,465 poles and 21,637 miles of wire added since January first, exceed the record of totals established during the same period last year.

A number of new methods of plant construction and transmission techniques are being utilized to expedite the rural expansion and improvement program. Mr. Dabney said that the Bell Companies over the Nation had about 2,000,000 telephones in rural areas on October 31st, 128,000 of which were in the area served by Southern Bell. Altogether, 600,000 rural telephones have been added by the Bell system since the end of the war.

Former Stanislaus Bandmen Lend Hand At Homecoming Dance

One of the features of the Homecoming Dance was the appearance of eight former Stanislaus Swing Band members who gave their time to help the current men put over the dance in great style.

Cadet Karl Fasold, Class 1946, now serving with the Merchant Marine arrived Saturday afternoon from Holland, took up his old stand with the Alto Sax, Sunday evening.

Ed. Stienen, '47, of Chattanooga, another Sax player charmed his audience with his playing. Ed is now studying music at the Chattanooga Conservatory. He has been honored by being chosen solo clarinet in the Chattanooga Symphony.

Donald Arceneaux, '43, attends S. L. I. at Lafayette, La. Rattled the drums in fine style.

Bobby Fayard, '47, now at Tulane is another drummer who took his turn with the "old boys." He plays tympani and drums in the Tulane Concert Band.

Anthony Carter, '47, plays the trumpet. He is now living in New Orleans trying to get on with a swing band.

Bernard Farr, '47, now attending S. L. I. played the baritone Sax and is still continuing with his music.

Arthur Scaffie, '47, still playing the Clarinet with the LSU band.

All in all, it was an excellent idea to have these boys on the stage for the Homecoming Dance. It is to be hoped that this will mark a precedent for many years.

W. B. A. Meeting To Be Monday, Dec. 1st

The W. B. A. members will hold the December meeting, this Monday night December 1st at the home of Mrs. Nellie Nelson on Uman avenue, at 8 p. m. All members are urged to attend because at this meeting the election of officers will be held and plans for the Christmas party will be formulated.

Oyster Beds Destroyed

According to Dr. J. B. Engle, Aquatic Biologist of the U. S. Fish and Wildlife Service, practically all oyster beds around Bay St. Louis were destroyed during the September hurricane.

Dr. Engle, at present in charge of Oyster Cultivation in the Chesapeake Bay, was sent to the Louisiana, Mississippi, Alabama area at the request of the directors of the different state conservation directors.

His opinion at present is that all beds from Bay St. Louis west to the Louisiana marshes are destroyed.

Basketball League To Officially Open Dec. 2nd.

The Hancock County Basketball League announces its official opening for December 2 at Kiln. There will be a double header with Annunciation Catholic club playing Waveland and Clermont Harbor playing Dedeaux. On December 3 at Bay High gymnasium Rhodes will play Ramond's and Tourne's will play Aaron Academy.

All games start promptly at 8 p. m. and players are required to be on hand at 7:30. Admission—adults 25c, children 15c.

At the meeting on Tuesday night Clermont Harbor was received as a member of the league and Pass Christian and DeLisle were rejected.

The organization of this league is a fine thing for Bay St. Louis and for the county and the citizens should cooperate to make this a success.

VISITING IN VIRGINIA

Misses Jane Blair, Gay Gex and Virgil Dick will spend the Thanksgiving holidays in Virginia.

Miss Gex and Miss Dick will attend dances at Virginia Military Institute and Miss Blair will take in the Thanksgiving football game and military dance at Stanton Military Academy. She will join the other girls for the Saturday night dance at V. M. I.

MISCELLANEOUS SHOWER

Miss Call Stevenson whose engagement to Mr. Samuel Patrick Murphy has been announced, was honored at a surprise miscellaneous shower given by Mrs. Andrew Reidlinger at her home Jeff Davis Parkway, New Orleans on Wednesday, evening of last week. Miss Stevenson was looking lovely in a troussseau dress of dark green faille and a shoulder corsage of Pon Pon Chrysanthemums.

The table appointments were of silver candelabra holding pink lighted tapers and centered with a pink and white cake topped with a miniature pink umbrella.

The color scheme of pink predominated in pink Pon Pon Chrysanthemums used in the decorations.

About twenty-five guests were present to greet the honoree upon her arrival.

MARRIED SATURDAY, NOV. 15

Miss Ethel Bilbo, daughter of Mr. and Mrs. J. W. Bilbo, of Kiln, and Corporal Tommy L. Gee, Keesler Field, son of Mr. and Mrs. C. R. Gee, of Albany, Oregon, were quietly married here on Saturday, November 15, Judge L. B. Capdepon, performing the ceremony. The bride wore light blue suit worn with brown accessories.

Mr. and Mrs. Gee will for the present reside at 119 Main St.

RETURN FROM TRIP

Mr. and Mrs. Charles A. Breath, Jr., returned to Bay St. Louis on Tuesday of last week after a nice trip to the Northern and Eastern States.

Mr. Breath had to make a business trip to Saginaw, Michigan and stopped in Annapolis to visit Mr. Roger Boh, Jr., at the Naval Academy.

Other places visited were Washington, Detroit, Pittsburgh, and New York.

Both reported nice weather with some snow in spots.

CELEBRATES TWELFTH BIRTHDAY

Jerry Kiefer celebrated his twelfth birthday on Saturday last with an outdoor party at his home in St. Charles Street.

The weiners were roasted on an open fire and the birthday cake was cut and after all the boys had eaten as much as they could games were played and a general happy time was had.

Boys attending the party were Jimmy Curran, Gerald Gex, "Sonny" Saucier, Maurice, Ronnie and Kenny Artigues, Andrea Arceneaux, David and Shelby Tucker, "Sonny" Reeder, Miles Favre and Ralph Hille and Moses Garcia.

MISCELLANEOUS SHOWER

Miss Mary Catherine Bennet was complimented at a miscellaneous shower given on Tuesday of last week at the home of Mrs. Pauline Weston who had as joint hostesses Mesdames Lamar Otis, Mrs. Charles Wright, Mrs. C. W. Fountain and Miss Emma Baxter.

The Weston home was decorated throughout with roses and Chrysanthemums carrying out the colors of pink and white. As Miss Bennet arrived Mrs. Sidney Otis played the traditional wedding march and the hostess presented Miss Bennet with a corsage of pink roses.

The gifts of which there was a great variety were arranged on a table and refreshments were served to a large number of friends and relatives many of whom came from out of town.

L. & N. COMMUTER TRAINS RESTORED

L. & N. commuter trains 9 and 12 between New Orleans and the Mississippi Gulf Coast will now be restored effective December 1st, with slight changes in schedules, it was announced today by R. A. Stanley, General Passenger Agent of the company.

The slight changes in schedules are necessary in order to maintain regular arrival and departure times in New Orleans, Stanley said, but they do not amount to more than 25 minutes in each direction.

Under the new schedules, Train 9 will leave Ocean Springs, Miss., at 5:50 A. M., and arrive in New Orleans at 8:40 A. M., as at present. Train 12 will leave New Orleans at

5:15 P. M., as at present and arrive in Ocean Springs at 8:05 P. M. Arrival and departure times at intermediate points will be changed slightly.

Stanley stated that holders of long term commuter books can have their books extended by applying to L. & N. agents.

Waveland Clermont And Lakeshore Citizens Rehabilitation Committee

The above committee met at the Town Hall in Waveland on Saturday night at 8 P. M. with Mr. Thompson, chairman, presiding.

The fair report was read and a vote of thanks was passed to the fair committee for their splendid

Governor Proclaims "Keep Forest Green" Week For Week of Dec. 1-8

Jackson, Miss., Nov. 21—Observing that 16,000,000 acres of timberlands in Mississippi are producing at only one-half of maximum capacity due to forest fires and improper land management, Gov. Fielding L. Wright calls the attention of the populace to the need of forest conservation by proclaiming the week of December 1-8 as "Keep Mississippi Forests Green Week."

The proclamation, issued Thursday, sets forth that ruthless timber harvesting practices are also damaging the state's forests and called for "better woodland management, better methods of fire prevention and increased understanding by the public of forest values."

Governor Wright asks for a program sufficient to insure stability of the future economy of the state by protecting one of its greatest industries, the production of fine timber for factories and homes.

Acting in cooperation with the Mississippi Forestry and Chemurgic Association and the State Agricultural Workers Coordinating Council in issuing the proclamation Governor Wright makes it clear that he is fully behind any program to insure the future of good forest practices in the state.

"The important part our forests played in the recent world war conflicts and the splendid contribution they are now making to our peacetime economy, have focused the attention of all thinking Mississippians on the necessity of supporting a state-wide program, the purpose of which would be to perpetuate and further develop this great renewable natural resource," the Governor stated.

Serving With The Red Cross in Germany

Munich, Germany—Once it was battle rattle, the din and shock of war that shook the nerves of even hardened soldiers, but today in occupied Germany, says Patricia Thompson, American Red Cross social worker from Bay St. Louis, Miss., "thankfully, only the rattle remains."

As she speaks the Red Cross veteran, who has done social work in military hospitals since June 1942, looks through the peephole slot in the ward door at the blanketed forms of junior G. I. Joes and Janes.

"Once I worked with their fathers," she continued. "Sometimes I've worked with their mothers when they were nurses or Wacs in the army. Now I'm working with the second generation overseas."

Actually Miss Thompson handles case work for all medical and obstetric patients at the 98th General Hospital here as well as for the able bodied hospital detachment. The greater continuity of service now possible and the gearing of work from an adult male level to a youthful soldier and a family level are two phases of the change from war to occupation which she notices most.

There is one further difference which the Mississippi worker notes sharply and that is the number of patients brought in as a result of household accidents. Many of the brides here are inexperienced around the home, and added to that are the difficulties they encounter with foreign equipment and shortages.

A glance at the hospital statistics reveals that falls and scalds are the greatest household hazards here. In the case of scalds Miss Thompson relies upon the experience she gained during the war with soldiers brought in from blazing planes and suffering from 2nd and 3rd degree burns. The greatest single fear of both men and women in burn cases is that of permanent disfigurement, she observed. "After the cases I have seen

work in making it such a success. Chairmen were appointed to take up the matter of holding an entertainment at Waveland School, a picture show at Covington and also one at Bay St. Louis and asked to file their reports for next meeting.

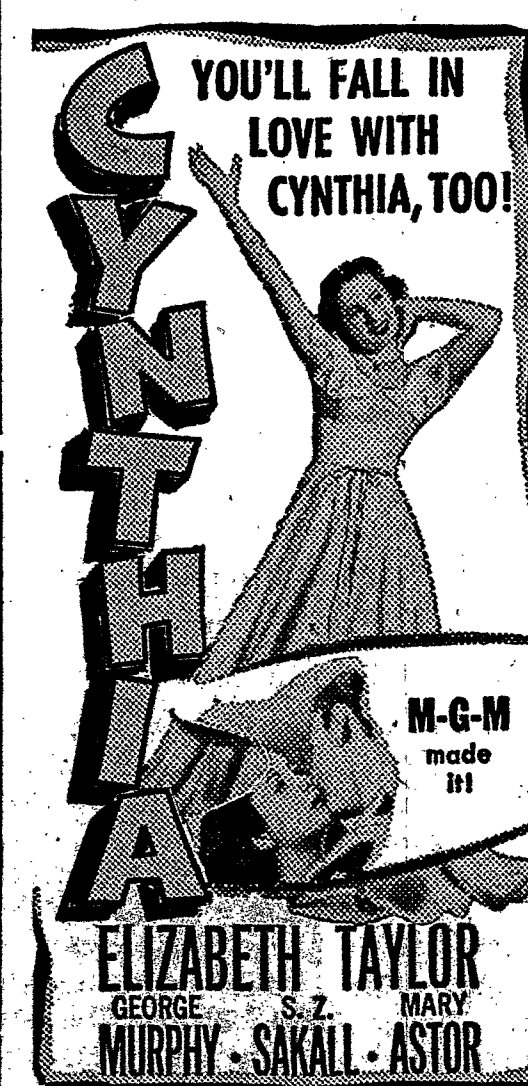

Several checks were handed in, so that the amount collected has now reached almost \$5000.00, with the prospect of larger donations in the near future.

At this point the chairman took up the question as to what was best to do with these funds, and after a lengthy discussion it was decided to have the members submit in writing, with particulars and rough estimates, some public projects. These would be taken up and acted upon by sub-committees appointed at an open meeting.

The recommendations of this sub-committee would then be voted upon by all members of the entire committee. No private projects would be entertained or acted upon. After transacting the usual routine business the meeting adjourned.

cured," she said, "I can assure them with convincing sincerity that it is possible to emerge unblemished and with a peach and cream complexion to boot."

As a final word the Red Cross woman, closing the peephole upon the pink and blue bundles in their

canvas cribs, wished to thank the local Red Cross chapters in the States for sending over layettes. They have solved many an emergency to boot."

Since joining the Red Cross in 1942 Miss Thompson has done hospital social work in Fort Lewis, Washing-

ton; in India, in France, and currently in Germany. She is a graduate of Tulane University, New Orleans, La., and formerly was a W. P. A. social worker for the state of Louisiana. She is the daughter of Captain and Mrs. Harry J. Thompson, Bay St. Louis, Miss.

Waveland News

Among the local people that won prizes given by the Hill Stores in celebration of their twenty-fifth anniversary were Mesdames J. M. McConnell, G. A. Austin and J. Holl-grath, two quart sauce pans.

Mrs. M. Trauth, a \$5.00 order for groceries.

Mr. P. Stern, Miss Eloda Rosen-stream, Mr. John Eckerle and Mrs. D. J. Ziegler, a \$2.50 order for groceries.

Mr. N. Jube, manager of the local H. G. Hill Store, is on the job again after a week's vacation.

Mr. and Mrs. E. J. Salau and daughter Miss Harriet Salau spent a night in New Orleans to attend a party given in honor of Mr. Salau's brother and sister-in-law, Mr. and Mrs. George Salau, who celebrated their fiftieth wedding anniversary.

The party was held at the Polar Star Club and was attended by many friends.

Mr. and Mrs. Walter C. Damiens have purchased the lot adjoining their home. The sale was made by Mrs. W. A. Walsdorf.

Mr. and Mrs. Louis Rand and son were over on Sunday.

Mr. and Mrs. A. G. Assenheimer and children spent the week end with Mrs. Assenheimer's parents, Mr. and Mrs. E. J. Salau.

Mrs. Milton Pavre spent Monday in New Orleans.

Miss Rosemary Holderith is spending the Thanksgiving holidays with her parents Mr. and Mrs. Harold K. Holderith.

Miss Irma Moran who spent several days in Minter City as the guest of Miss Holderith returned with her.

Mr. Harold K. Holderith, Chief de Train went to New Orleans to attend the initiation of seventy-five members of the 40 and 8, Honor Society of the American Legion.

This was a tri-state meeting of Louisiana, Mississippi and Arkansas and was held in the Colonial Auditorium.

Mr. and Mrs. T. P. Hickey spent the week end at their cottage.

Mr. and Mrs. C. F. Sauer and grandson John Cahill have returned to their home on the beach.

Mr. and Mrs. John B. Wilson and daughters Louise and Linda and Mr. and Mrs. Dan Wilson are spending the Thanksgiving holidays with Mr. John Wilson's mother in Ruston, La.

Mr. and Mrs. Samuel A. Salzer, who is with Gus Meyer's millinery department have purchased the Clarence Smith home on Soubal.

Dr. and Mrs. Luke Leggio have purchased the home of Mr. and Mrs. H. L. Read on Sears Avenue.

Mr. and Mrs. H. L. Read have moved to Gulfport where they expect to make their home. Mr. Read's office has been moved to Biloxi.

Dr. and Mrs. Jos. Samuels are starting to rebuild their home on the beach.

Active Duty For Army Reservists

The Department of the Army has recently announced that qualified enlisted reservists may return to active duty for a period of six (6) months to one year as escorts for the dead of World War II now being returned to this country. The reservists applying for duty must be high school graduates, eligible for the grade of Corporal or above and have World War II service as well as excellent character and appearance. The Stations open for assignment are located at Memphis, Tennessee; Atlanta, Georgia, and Charlotte, North Carolina. Any reservist interested in this program should contact the nearest Organized Reserve Corps Office; The Commanding Officer, Mississippi Military District, Jackson, Mississippi, or their nearest U. S. Army and Air Force Recruiting Office located in Room 205, G&SI Bldg., Gulfport, Mississippi.

ORTIE THEATRE SUNDAY - MONDAY "CYNTHIA"

Elizabeth Taylor And George Murphy

Attractive Elizabeth Taylor takes a step toward growing up in her newest M-G-M picture, "Cynthia," arresting drama of an adolescent girl's first love affair.

As a girl whose over-zealous parents and domineering uncle deprive her of the normal relationships of small town life, Cynthia doesn't stand much chance at snaring her high school Lothario until she takes matters into her own hands. When she does, a bombshell explodes, involving her frustrated father, her unhappy mother and other members of an extremely difficult family. But before she's finished with her one-girl rebellion, Cynthia manages to get her first kiss, wins her father a better job, simplifies life for her mother and kicks her blundering uncle out of the house!

It all adds up to delivering entertainment punctuated with moments of tenderness, the humor that stems from the exaggerated tragedies of the very young, and highly stimulating performances upon the part of Miss Taylor, who is rapidly

emerging as one of Hollywood's distinguished young stars. George Murphy, playing her perplexed father, Mary Astor in a sympathetic mother role, Gene Lockhart as the cynical uncle, S. Z. Sakall, Spring Byington, James Lydon and others.

New Orleanian Brought Home for Burial

Among the twelve Orleanians whose bodies were brought to the States was that of Fortune A. Dugan, son of Mr. and Mrs. John V. Dugan, of 3405 St. Charles street who served during the entire years of the war and held the rank of Captain.

Captain Dugan was regarded as one of the foremost pilots in the RAF bomber-ferry command. He was the holder of the world's record for bringing nine ships to England in twelve days, with a 72-hour lay-off for repairs. Captain Dugan was killed when the plane in which he was returning to Canada as a passenger crashed in the Atlantic.

Before the service, he had been connected with commercial airlines in this country, including Chicago and Southern.

Captain Dugan was a nephew of Mr. and Mrs. Leo E. Kenney.

Tigers Lose To Ocean Springs

Playing in knee deep mud, the Tigers of Bay High couldn't get going in their last game of the season and lost to Ocean Springs, 14-0. The local lads, working from the T formation, lost several chances by fumbling at critical times and set up a touch down for the winners by fumbling on their own 1 yard line. The Tigers, after cancelling their first game because of the hurricane, finished the season with 5 losses and three wins.

**INCREASED TONNAGE THROUGH GULFPORT HELPS BUILD A GREATER MISSISSIPPI**

When you insist on import or export tonnage clearing through the Port of Gulfport, you are helping build a greater Mississippi and helping increase the opportunities of every Mississippian.

All Mississippians have a very important stake in the Port of Gulfport. It is Mississippi's only deep sea harbor and affords our State a connection with the markets of the world.

Remember — import or export — insist on Mississippi's own Gulfport.

Port of Gulfport, Mississippi
Please give me additional information concerning the Port of Gulfport, and tell me how I can save transportation cost, help build a greater port at Gulfport, and thereby a greater Mississippi.

CITY: _____ STATE: _____

PUBLIC NOTICE

TO THE PUBLIC AND THE QUALIFIED VOTERS OF THE CITY OF BAY ST. LOUIS, MISSISSIPPI

Notice is hereby given by the City of Bay St. Louis, Mississippi, that pursuant to Ordinance No. 110 duly adopted by the Board of Mayor and Commissioners on the 3rd day of November, 1947, of the intention of said municipality to sell its natural gas transmission line extending from a point north of the city limits of the City of Gulfport, Mississippi, through Harrison County across the Bay of St. Louis and into the City limits of the City of Bay St. Louis, Mississippi to United Gas Pipe Line Company for the cash consideration of the sum of One Dollar (\$1.00), and the further consideration on the part of United Gas Pipe Line Company of amending the Gas Sales Contract entered into by and between the City of Bay St. Louis, Mississippi and United Gas Pipe Line Company dated June 16, 1941, as amended, so as to provide for a change in the point of delivery of gas to a point within the city limits of the municipality, and other amendments, all as hereinafter more fully set out.

That the conveyance to be executed shall be substantially in the following form, to-wit:

"STATE OF MISSISSIPPI
COUNTY OF HANCOCK"

For and in consideration of the sum of One Dollar (\$1.00), cash in hand this day paid by United Gas Pipe Line Company the receipt of which is hereby acknowledged, and for the further good and valuable consideration of the amendment by United Gas Pipe Line Company of that certain Gas Sales Contract entered into between the grantor and grantee under date of June 16, 1941, as heretofore amended, in the manner and form as provided in Ordinance No. 110 duly adopted by the Mayor and Commissioners of the City of Bay St. Louis, Mississippi, on the 3rd day of November, 1947, and other ordinances, resolutions, proceedings and acts had and done in connection therewith, as shown by the Minute Book in the office of the City Clerk of the City of Bay St. Louis, Mississippi; the receipt of which amendment duly executed by United Gas Pipe Line Company, acting by and through its duly authorized officers, is hereby acknowledged, and said amendment having likewise been executed by the City of Bay St. Louis, Mississippi, acting by and through its duly authorized Mayor and Clerk, does hereby grant, convey, assign, warrant, set-over, transfer, assign and deliver unto United Gas Pipe Line Company, a Delaware corporation the following described property situated in the counties of Hancock and Harrison in the State of Mississippi, and being more particularly described as follows, to-wit:

A certain 4 1/2 inch O. D. pipe line now being used by the City of Bay St. Louis, Mississippi, as a natural gas transmission line, having location and course of which is more accurately described as follows:

The 4 1/2 inch O. D. pipe line here-in described begins in the Southeast Quarter of the Northeast Quarter of Section 21, Township 8 South, Range 11 West, Harrison County, Mississippi, at a point in a county road right of way and on the North side of said road adjacent to the South fence line of United Gas Pipe Line Company's Gulfport City Gate measuring Station.

The Pipe line continues in a westerly direction along North side of said meandering county road until same intersects U. S. Highway No. 49 near the center of Section 21, Township 8 South, Range 11 West. After having crossed under U. S. Highway No. 49 pavement, the pipe line turns in a southerly direction and continues along West side of and in right of way of U. S. Highway No. 49 to a point where same intersects 28th Street Road in the City of Gulfport. Thence in a westerly direction along 28th Street Road to where said road extended intersects Old Pass Christian Road near North and South center line of Section 33, Township 7 South, Range 12 West, Harrison County. Thence in a Southwesterly direction on East side of pavement and in right of way of Old Pass Christian Road to town of Cuevas. Crossing Bayou Portage on East side of bridge, the line continues in a southerly direction from Cuevas along same above named road, but known as Menge Avenue from Cuevas to Pass Christian.

At some point in the North half of Section 17, Township 8 South, Range 12 West, the pipe line crosses under pavement on Menge Avenue from East to West side and continues along West side of Menge Avenue to the intersection with North Street, Pass Christian, Mississippi in the West half of the Northwest Quarter of Section 20, Township 8 South, Range 12 West. Thence in a Southwesterly direction along the South side and in North Street to intersection with Cedar Street in West Pass Christian. At this point the pipe line turns in a Southwesterly direction along the East side of Cedar Street to the intersection with Old Pass Christian-Bay St. Louis Road, Thence in a Southwesterly and Westerly direction along the South side of said Old Pass Christian-Bay St. Louis Road to the intersection with U. S. Highway No. 90.

The line continues along the South side of and in U. S. Highway No. 90 in a westerly direction to the East water's edge of St. Louis Bay. The pipe line then follows the bottom of St. Louis Bay between the U. S. Highway No. 90 Bridge and the L. & N. Railroad Bridge. At the West water's edge of the bay, the line crosses over the seawall and under Front Street in Bay St. Louis to enter Uman Avenue.

Thence along South side of Uman Avenue a distance of approximately 1875 feet to where pipe line enters City of Bay St. Louis municipal property and ends with a plug valve approximately two feet inside the property line. This valve is immediately upstream of the present City of Bay St. Louis Natural Gas Sales Measuring Station located in the Northwest corner of Lot No. 326, being in Section 28, Township 8 South, Range 13 West, Hancock County, Mississippi.

The above 4 1/2 inch O. D. line is

approximately 109,560 feet or 20.75 miles in length including the bay crossing.

It is the intention of the grantor herein to sell and convey, and for the considerations above recited, the said 4 1/2 inch O. D. pipe line as above described and located, together with all taps thereon through and including the down stream side or face of the first cut-off valve adjacent to the pipe line and together with all main line block gates or valves, all magnesium anodes and other devices and equipment used for cathodic protection of said pipe line and all other pipe line facilities used in connection with, or useful to the operation of, said natural gas transmission pipe line as now located and being operated by the City of Bay St. Louis, Mississippi.

TO HAVE AND TO HOLD the natural gas transmission pipe line and facilities above described unto the said grantee herein, its successors or assigns, forever.

The City of Bay St. Louis, Mississippi, does hereby bind itself, its successors and assigns to warrant and forever to defend, all and singular, the property and facilities sold and conveyed hereby unto the grantee herein, its successors and assigns, against every person who lawfully claiming or to claim the same or any part thereof.

This instrument is executed pursuant to the authority of, and is subject to the terms and conditions contained in, Ordinance No. 110 duly and legally adopted by the Mayor and Commissioners of the City of Bay St. Louis, Mississippi, on the 3rd day of November, 1947, and all other ordinances, resolutions, proceedings and acts had and done in connection therewith, all as shown of record in the Minute Book in the office of the City Clerk of the City of Bay St. Louis, Mississippi.

Witness the execution hereof by the City of Bay St. Louis, Mississippi, acting by and through its duly authorized Mayor and Clerk and with its seal duly impressed hereon, this 28th day of November, 1947.

CITY OF BAY ST. LOUIS,
MISSISSIPPI

By _____
Mayor of the City of Bay St. Louis, Mississippi.

ATTEST:
Clerk of the City of Bay St. Louis, Mississippi.

STATE OF MISSISSIPPI
COUNTY OF HANCOCK

Personally came and appeared before me a Notary Public in and for the state and county aforesaid, the within named _____

and _____, who each acknowledged to me that they are Mayor and Clerk, respectively, of the City of Bay St. Louis, Mississippi, and that as such officers they signed, affixed the corporate seal to and delivered the foregoing instrument of writing on the day and year therein mentioned, for and on behalf of, and as the act and deed of, the City of Bay St. Louis, Mississippi, all of which were first duly authorized so to do.

Given under my hand and official seal, this 28th day of _____, 1947.

Notary Public

That the amendment to the Gas Sales Contract shall be in substantially the following form, to-wit:

"THIS AGREEMENT, made and entered into this _____ day of _____, 1947, by and between UNITED GAS PIPE LINE COMPANY, a Delaware corporation, hereinafter called "Seller," and CITY OF BAY ST. LOUIS, MISSISSIPPI, a municipal corporation of the State of Mississippi, hereinafter called "Buyer,"

WITNESSETH:

Whereas, Seller and Buyer entered into a contract, dated June 16, 1941, as heretofore amended, relating to the sale and purchase of gas for resale and distribution through Buyer's distribution system in the City of Bay St. Louis, Mississippi, and for resale and distribution directly from Buyer's pipe line referred to in said contract; and

Whereas, Buyer has agreed to convey to Seller said above mentioned pipe line extending from the City of Bay St. Louis, in Hancock County, Mississippi, to a point on Seller's facilities in the vicinity of Gulfport, in Harrison County, Mississippi; and as a consequence thereof, it is necessary that said contract of June 16, 1941, as heretofore amended, be further amended in the particulars and to the extent hereinafter set forth.

Now, Therefore, in consideration of the covenants and agreements hereinafter set forth to be kept and performed by the parties hereto, it is agreed by and between said parties as follows:

1. From and after the effective date hereof, as set forth in Article 4 of this amendment, Article 1 of said contract shall be and is hereby amended so that said Article 1 shall thereafter, in its entirety, read as follows:

"1. Subject to the terms and conditions hereof, Seller agrees to sell and deliver or cause to be delivered to Buyer, and Buyer agrees to purchase and receive from Seller and pay Seller for (a) all natural gas requirements of gas for resale and distribution through its said distribution system and any extensions thereof in the City of Bay St. Louis, Mississippi and its adjoining environs, (b) all gas consumed by Buyer in connection with the operation of said distribution system, and (c) all gas lost and unaccounted for after delivery to Buyer hereunder."

From and after the effective date hereof, as set forth in Article 4 of this amendment, Article 2 of said contract shall be and is hereby amended so that said Article 2 shall thereafter, in its entirety read as follows:

"2. The gas to be sold and delivered by Seller to Buyer hereunder shall be delivered to Buyer at the outlet side of the metering and regulating station to be installed by Seller, at a point to be mutually agreed upon on a plot of ground, owned by Buyer, being 170 feet by 216 feet, and consisting of lots 26, 27, 28 and part of 325, lying South of Uman Avenue, North of Carroll Avenue, and West of closed Toulne Street, all being in Section 28, Township 8 South, Range 13 West, Hancock County, Mississippi.

Buyer agrees to furnish to Seller, free of charge, the use of the pre-

misses to be occupied by Seller's said metering and regulating station and by any portion of Seller's tap line from its main line to said metering and regulating station, which may be located on Buyer's premises; with the right of ingress and egress at all times for the purpose of installation, operation, repair and removal of said metering and regulating station or tap line."

From and after the effective date hereof, as set forth in Article 4 of this amendment, Article 3 of said contract shall be and is hereby amended so that said Article 3 shall thereafter, in its entirety, read as follows:

"3. The gas to be sold and delivered by Seller to Buyer hereunder shall be delivered at said point of delivery at such pressures (not to exceed sixty (60) pounds per square inch gauge pressure) as may be necessary to meet Buyer's requirements and as can be maintained without more than one stage of regulation by Seller and Buyer agrees to receive and take gas hereunder at the pressures in this Article 3 specified and thereafter to regulate and control said gas for delivery to its consumers."

4. Seller shall promptly file a copy of this agreement, as a part of Federal Power Commission Rate Schedule No. 47, with the Federal Power Commission, under and in accordance with the Provisional Rules of Practice and Regulations under the Natural Gas Act. Seller has heretofore applied to the Federal Power Commission for a Certificate of Public Convenience and Necessity to acquire and operate said above mentioned pipe line which Buyer has agreed to convey to Seller.

This agreement shall not become effective between the parties hereto unless (i) the same is permitted to become effective as a part of Federal Power Commission Rate Schedule No. 47, by action or inaction of the Federal Power Commission, and (ii) Seller has obtained appropriate Certificate of Public Convenience and Necessity from the Federal Power Commission to acquire and operate Buyer's above mentioned pipe line, and (iii) Buyer executes and delivers to Seller proper conveyance of Buyer's above mentioned pipe line, conveying good and valid title thereto, free and clear of all liens and encumbrances, together with all rights of way, easements, franchises and permits, pertaining to said pipe line, which are necessary, in Seller's opinion, for the operation of said pipe line. In the event all of the above mentioned conditions (i), (ii) and (iii) shall have been fulfilled, this agreement shall become effective between the parties hereto on the date on which deliveries of gas are first made by Seller to Buyer hereunder at the delivery point set forth in Article 2 hereof, which date shall not be later than thirty (30) days after all of said conditions (i), (ii) and (iii) shall have been fulfilled.

5. Except as herein specifically changed and amended, said contract of June 16, 1941, as heretofore amended, shall remain the same and continue in full force and effect as written.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed in duplicate originals by their respective corporate officers thereunto duly authorized and their respective corporate seals to be hereunto fixed on the date and year first hereinabove written.

CITY OF BAY ST. LOUIS, MISSISSIPPI

By _____ Mayor

ATTEST: _____ City Clerk

The reasons for said sale, and the benefits that will accrue to the municipality by reason of said sale and by reason of the amendment to the Gas Sales Contract are set out at length in said Ordinance No. 110 adopted on the 3rd day of November, 1947, by the Board of Mayor and Commissioners of the City of Bay St. Louis, Mississippi.

The qualified voters of said municipality and the public are hereby notified that the property described in the proposed conveyance, above set out, will be sold, that said conveyance will be executed and said Gas Sales Contract, as amended will be amended as hereinabove set out on or after the 10th day of December, 1947, unless within ten (10) days after the last publication of this notice a petition signed by not less than twenty per cent of the qualified voters of the City of Bay St. Louis, Mississippi be filed, as provided by law, objecting and protesting against such sale and disposition. This notice will be published in the Sea Coast Echo, a newspaper published in the City of Bay St. Louis, Mississippi, on the 7th, 14th, 21st and 28th days of November, 1947, and any objection or protest must be filed within ten (10) days after the last publication of this notice on the 28th day of November, 1947.

Witness the signatures and seal of the City of Bay St. Louis, Mississippi, by and through its duly authorized Mayor and Clerk.

This 28th day of November, 1947.

Vacancies For Adjutant General's Department and Assignment to Recruiting Publicity Bureau Open

Vacancies for the Adjutant General's Department and assignment to the Recruiting Publicity Bureau, Governors Island, N. Y., are now open to qualified personnel. Captain Williams, Commanding Officer of the local U. S. Army and U. S. Air Force Recruiting Station, announced today.

These vacancies, Captain Williams stated, are for experienced printers, typesetters, composers, radio script writers, linotype operators, artists, lithographers, multigraph operators, and public information writers. Applicants possessing the necessary qualifications will be enlisted for the Adjutant General's Department for not less than three years and will be given an initial assignment to the Recruiting Publicity Bureau. Definite assignment to the Bureau is contingent upon the applicant meeting the qualifications established by the Adjutant General, Department of the Army.

Captain Williams stated that the Recruiting Publicity Bureau at Governors Island, N. Y., is where all printing for the Recruiting Service is done, and at present, is urgently in need of additional personnel. He also stated that this is the first time openings have been available to personnel outside of the Regular Army or Air Force.

As these vacancies are limited, Captain Williams urges all interested applicants to contact the local U. S. Army and U. S. Air Force Recruit-

ing Office immediately in order that their applications may be submitted as soon as possible. The Recruiting Office here in Gulfport is located in the G&S Building, Room 205.

Hospital Notes

BIRTHS

PHONE 195 S. P. LOMBARDO, Owner

The true value of telephone service is much greater than its cost. Many types of concerns depend entirely upon the telephone to secure business. To them it is indispensable—yet the cost is only a few dollars a month. In fact, in all business, the value of telephone service is far greater than the cost.

The same is true with respect to the everyday home and social use of the telephone. There are times when just one call alone may be worth the cost of the service for several months. If you kept an account of the trips your telephone saves you each month and of the comfort, protection and pleasure it affords, you would find that the price you pay is much less than the value you receive.

The amount you are asked to pay, however, is never more than enough to pay operating costs plus a return on investment sufficient to enable the Telephone Company to secure from investors the millions of dollars of new money needed for improvement and expansion of the service.

REGULAR MONTHLY MEETING COUNTY BOARD OF SUPERVISORS

NOVEMBER MEETING, A. D.
1947

Be It Remembered that a regular meeting of the Board of Supervisors of Hancock County, State of Mississippi, was begun and held at the Courthouse there of in the City of Bay St. Louis, on Monday, November 3rd, 1947, at 9:00 o'clock A. M., the same being the time and place for the holding of said meeting.

There were present, to-wit: Chas. B. Murphy, President of said Board; John B. Wheat, Johnson S. Shaw, Lander H. Necaise, and Ed P. Orte, Members; John A. Egloff, Sheriff of said County and A. G. Favre, Clerk of said Board.

Be It Ordered by the Board that the Board recess until Wednesday morning, November 5th, 1947, at 9:00 o'clock A. M.

CHAS. B. MURPHY,
President.

Wednesday morning, November 5th, 1947, at 9:00 o'clock A. M., the Board met pursuant to recess. There were present, to-wit:

Chas. B. Murphy, President of said Board; John B. Wheat, Johnson S. Shaw, and Lander H. Necaise, members; John A. Egloff, Sheriff of said County and A. G. Favre, Clerk of said Board.

Ed P. Orte, Member, was absent and was excused.

Whereas, the following named parties, to-wit: L. P. Caissac, Alfred Raboteau, Odette V. Wittlesberger, Geo. Powell, Est., W. T. Moon, Est., Albert Cuevas Est., Ralph Blackwell, and Capt. H. G. Koch, filed homestead exemption applications for the year 1946, and through inadvertence, said applications were allowed and not placed on the homestead exemption roll of Hancock County, and the Board having considered the said matter, and being of the opinion that said parties should be granted their homestead exemptions, and the Sheriff and Tax Collector of Hancock County having collected all taxes due from said parties, set out above.

Be It, Therefore, Ordered by the Board that the following exemptions be allowed the respective parties as set out below, being assessed for the total value and on the page and line as set out on the assessment roll of Hancock County, to-wit:

Name	Page	Line	Bld. Bld.	Total
L. P. Caissac	159	16	\$200	\$450 \$650
Alfred Raboteau	167	35	75	125 200
Odette V. Wittlesberger	140	21	2,000	1,100 3,100
Geo. Powell, Est.	132	39	200	2.50 450
W. T. Moon Est.	176	23	450	500 950
Albert Cuevas Est.	26	9	160	160
Ralph Blackwell	215	11	120	50 170
Ralph Blackwell	215	15	30	30
Capt. H. G. Koch				

CHAS. B. MURPHY, President.
Monday morning, November 17th,

1947, at 9:00 o'clock A. M., the Board met pursuant to recess. There were present, to-wit: Chas. B. Murphy, President of said Board; John B. Wheat, Johnson S. Shaw, and Ed P. Orte, Members; John A. Egloff, Sheriff of said County and A. G. Favre, Clerk of said Board.

Lander H. Necaise, Member, was absent and was excused.

John A. Egloff, Sheriff and Tax Collector of Hancock County, having presented to the Board his list of insolvencies, erroneous assessments, reduced assessments, additional assessments, etc., for the year 1946, and the Board having carefully examined and scrutinized the said lists, and having acted therein in the manner directed by law, and the Board being now satisfied that the said Tax Collector is now entitled to credit for said lists as set out above and is entitled to be charged with additional assessments as set out.

It is, Therefore, Ordered by the Board that the Tax Collector be and he is hereby allowed the amounts as set out hereinbelow on account of insolvencies, etc., and that he be charged the amounts for additional assessments, etc.

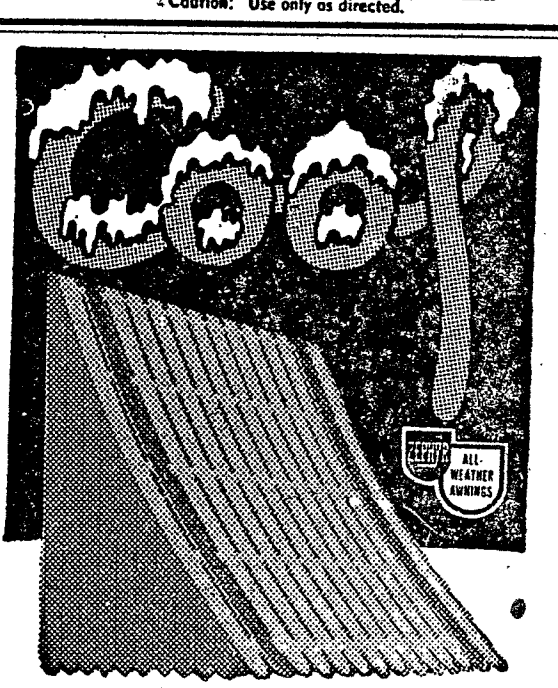

It is Ordered by the Board that the following accounts be charged to John A. Egloff, Sheriff and Tax Collector on account of Additional Personality for the year 1946, as per list filed according to law, examined and approved, to-wit:

ORDINANCE NO. 110

AN ORDINANCE DECLARING THE INTENTION OF THE CITY OF BAY ST. LOUIS, MISSISSIPPI, OF SELLING AND CONVEYING ITS NATURAL GAS TRANSMISSION LINE EXTENDING FROM A POINT NORTH OF THE CITY OF GULFPORT, MISSISSIPPI, THROUGH HARRISON COUNTY ACROSS THE BAY OF ST. LOUIS INTO THE CITY LIMITS OF THE CITY OF BAY ST. LOUIS, MISSISSIPPI, TO UNITED GAS PIPE LINE COMPANY, IN CONSIDERATION OF THE SUM OF \$1.00 AND THE FURTHER CONSIDERATION OF THE AMENDMENT OF THE GAS SALES CONTRACT ENTERED INTO BETWEEN THE CITY OF BAY ST. LOUIS, MISSISSIPPI, AND UNITED GAS PIPE LINE COMPANY DATED JUNE 16, 1941, AS AMENDED, SO AS TO CHANGE THE POINT OF DELIVERY OF GAS FROM A POINT NORTH OF THE CITY OF GULFPORT, MISSISSIPPI, TO A POINT WITHIN THE CITY LIMITS OF THE CITY OF BAY ST. LOUIS, MISSISSIPPI, AND TO OTHERWISE AMEND SAID CONTRACT AS HEREINAFTER SET OUT IN FULL.

Whereas, the City of Bay St. Louis, Mississippi, pursuant to the provisions of the Laws of Mississippi, including, among others, Chapter 317 of the Laws of Mississippi of 1934 and Acts Amendment thereof and supplemental thereto, constructed a natural gas transmission line and a natural gas distribution system; and

Whereas, the said natural gas transmission line, above referred to, extends from a point north of the city limits of the City of Gulfport, Mississippi, through Harrison County across the Bay of St. Louis and into the city limits of the City of Bay St. Louis, Mississippi; and

Whereas, shortly after the construction of said natural gas transmission line numerous leaks began to develop and the governing authorities of the city immediately made every effort to stop such leaks and remedy such trouble, but after known and ascertainable leaks were repaired, other leaks promptly developed and the said transmission line began to require the constant care and attention of the governing authorities of said city and its employees, and caused and necessitated the city to expend large sums of money in an effort to eliminate leaks from said transmission line; and

Whereas, after a complete and careful investigation by duly qualified persons familiar with the construction, maintenance, operation and repair of natural gas pipe lines, it has been determined and the Mayor and Commissioners of the City of Bay St. Louis, Mississippi find and adjudge that from due and sufficient evidence adduced before them, that said natural gas transmission line, above referred to, has been deteriorating for a number of years, and that the rate of deterioration at the present time is so rapid that unless said defects are promptly corrected, and unless large portions of said transmission line are replaced, the remainder of said line completely overhauled and repaired, that natural gas service to the inhabitants of the City of Bay St. Louis, Mississippi, may be interfered with. The Mayor and Commissioners further find that the city has sustained a great monetary loss each month because of gas lost from said transmission line due to leakage, all as reflected by a statement of said losses on file in the office of the City Clerk, and that said losses will become progressively larger unless said transmission line is replaced in part, overhauled and repaired as above set out, and they further find that the cost of such replacing, overhauling and repairing will be excessive and prohibitive; and

Whereas, the Mayor and Commissioners find from said investigation, information and evidence that it would be to the best interest of the city to dispose of said transmission line; and

to, free and clear of all liens and encumbrances, together with all rights-of-way, easements, franchises and permits pertaining to said pipe line which are necessary, in the opinion of United Gas Pipe Line Company, for the proper operation, maintenance, repair, reconstruction and replacement, in whole or in part, of said natural gas transmission line; and (4) that the Mayor and Commissioners of the City of Bay St. Louis, Mississippi will be duly and legally authorized to execute and deliver said amendment jointly with United Gas Pipe Line Company acting by its duly authorized officials.

Whereas, the Mayor and Commissioners of the City of Bay St. Louis, Mississippi, heretofore issued \$200,000.00 of Gas Revenue Bonds, dated January 2, 1939, to finance the construction of the transmission line and distribution system hereinabove referred to, all as shown by the minutes of said Mayor and Commissioners and as shown in Cause No. 4180 on the Docket of the Chancery Court of Hancock County, Mississippi; and

Whereas, \$5,000.00 of bonds of said \$200,000.00 issue, above referred to, were paid and the City of Bay St. Louis, Mississippi, issued \$195,000.00 of Gas Revenue Refunding Bonds of the City of Bay St. Louis, Mississippi, dated December 1, 1941, as shown by the minutes of the Mayor and Commissioners and as shown in Cause No. 4540 on the Docket of the Chancery Court of Hancock County, Mississippi, and it appearing that \$195,000.00 of said original bonds, and being all of the outstanding bonds, were exchanged for the \$195,000.00 of Gas Revenue Refunding Bonds, last referred to, and the Mayor and Commissioners of the City of Bay St. Louis, Mississippi find and adjudge that all of said outstanding Revenue Bonds are now owned and held by Royal Neighbors of America of Rockford, Illinois, the holder of said bonds being fully familiar with the large sums that are being lost each month due to leakage of gas from said transmission line, and being fully familiar with the bad condition of repair and rapid rate of deterioration of said transmission line, has consented and agreed for said transmission line, hereinafter described, to be sold and conveyed to United Gas Pipe Line Company upon the terms and conditions above mentioned, and has agreed to execute any necessary and proper instrument or agreement releasing the property to be sold to United Gas Pipe Line Company from the lien of said Gas Revenue Refunding Bonds of the City of Bay St. Louis, Mississippi, dated December 1, 1941, above referred to, and releasing such property from the lien created by the ordinances and resolutions of the Mayor and Commissioners of the City of Bay St. Louis, Mississippi, authorizing the construction of said pipe line and the issuance of said Gas Revenue Bonds dated January 2, 1939, and the issuance of said \$195,000.00 of Gas Revenue Refunding Bonds of the City of Bay St. Louis, Mississippi, dated December 1, 1941, above referred to; and

Whereas, it appears upon the Mayor and Commissioners of the City of Bay St. Louis, Mississippi, and they hereby find that pursuant to the Laws of the State of Mississippi, and particularly Section 3373 of the 1942 Mississippi Code Annotated, and Acts Amendment thereof and Supplemental thereto, and the 1942 Mississippi Code Annotated, and Acts Amendment thereof and Supplemental thereto, that the City of Bay St. Louis, Mississippi, is fully authorized and empowered to sell and convey the property above referred to, to United Gas Pipe Line Company upon such terms and conditions, and with such safeguards as will best promote and protect the public interest, and are fully authorized and empowered to transfer title to said property by Warranty Deed, Bill of Sale or Contract, provided that notice of intention of making such sale or disposition shall be given by publication once a week for three consecutive weeks in some newspaper published in said municipality, and that (10) days from the date of last publication of such notice said property may be sold and disposed of, unless within ten (10) days after the last publication of such notice a petition signed by not less than 20% of the qualified voters of the City of Bay St. Louis, Mississippi, be filed objecting to and protesting against such sale or disposition, in which event a special election shall be called, and it is hereby found and determined that the Sea Coast Echo is a newspaper published in the City of Bay St. Louis, Mississippi, for more than one year prior to this date, and having a general circulation in said city, and that notice of the intention to sell and dispose of said property should be given in said newspaper in the manner and for the time provided by law.

Now, Therefore, Be It Ordained by the Mayor and Commissioners of the City of Bay St. Louis, Mississippi, as follows:

Section 1. That the City of Bay St. Louis, Mississippi, sell and convey to United Gas Pipe Line Company, its natural gas transmission line beginning at a point near the pipe line of United Gas Pipe Line Company north of the City of Gulfport, Mississippi, and running through Harrison County, Mississippi, through the Bay of St. Louis and across the Bay of St. Louis and into the city limits of Bay St. Louis, Mississippi, and for the sum and amount of One Dollar (\$1.00) cash, and the further consideration on the part of United Gas Pipe Line Company of amending the Gas Sales Contract entered into by and between the City of Bay St. Louis, Mississippi, and United Gas Pipe Line Company, dated June 16, 1941, as amended, as hereinafter set out in full, which conveyance shall be substantially in the following form, to-wit:

Section 2. That the City of Bay St. Louis, Mississippi, acting by and through its duly authorized Mayor and Clerk, do hereby grant, bargain, sell, warrant, set-over, transfer, assign, deliver unto United Gas Pipe Line Company, a Delaware corporation the following described property situated in the counties of Hancock and Harrison in the State of Mississippi, and being more particularly described as follows: to-wit:

A certain 4 1/2 inch O. D. pipe line now being used by the City of Bay St. Louis, Mississippi, as a natural gas transmission pipe line, the location and course of which is more accurately described as follows: The 4 1/2 inch O. D. pipe line hereinafter described begins in the Southeast Quarter of the Northeast Quarter of Section 21, Township 7 South, Range 11 West, Harrison County, Mississippi, at a point in a county road right of way and on the North side of said road of said road, the South fence line of United Gas Pipe Line Company's Gulfport City Gas measuring Station.

The Pipe line continues in a westerly direction along North side of said meandering county road until same intersects U. S. Highway No. 49, the center of Section 11, Township 7 South, Range 11 West, Hancock County, Mississippi. After having crossed under U. S. Highway No. 49 pavement, the pipe line turns in a southerly direction and continues along West side of and in right of way of U. S. Highway No. 49 to a point where same intersects 28th Street in the City of Gulfport. Thence in a westerly direction along 28th Street Road to where said road extended intersects Old Pass Christian Road near North and South center line of said road, in the City of Gulfport, Mississippi, in a southerly direction on East side of pavement and in right of way of Old Pass Christian Road to town of Cuevas. Crossing Bayou Portage on East side of bridge, the line continues in a southerly direction from Cuevas along same above named road, but known as Menge Avenue from Cuevas to Pass Christian.

At some point in the North half of Section 17, Township 8 South, Range 12 West, the pipe line crosses pavement on Menge Avenue from East to West side and continues along West side of Menge Avenue to the intersection with North Street, Pass Christian, Mississippi in the West half of the Northwest Quarter of Section 20, Township 8 South, Range 12 West. Thence in a southerly direction along the South side and in North Street to intersection with Cedar Street in West Pass Christian. At this point the pipe line turns in a southerly direction along the East side of Cedar Street to the intersection with Old Pass Christian-Bay St. Louis Road, Thence in a Southwesterly and Westerly direction along the South side of said Old Pass Christian-Bay St. Louis Road to the intersection with U. S. Highway No. 90.

The line continues along the South side of and in U. S. Highway No. 90 in a westerly direction to the East water's edge of the City of Bay St. Louis. The pipe is laid on the bottom of the U. S. Highway No. 90 bridge and the L. & N. Railroad Bridge. At the water's edge of the bay, the line crosses over the seawall and under Front Street in Bay St. Louis to enter Uman Avenue.

Thence along South side of Uman Avenue a distance of approximately 1875 feet to where pipe line enters City of Bay St. Louis municipal property, and ends with the downstream end of the block plug valve approximately two feet inside the property line. This valve is immediately upstream of the present City of Bay St. Louis Natural Gas Sales Measuring Station located in the Northwest corner of Lot No. 326, being in Section 20, Township 8 South, Range 13 West, Hancock County, Mississippi.

The above 4 1/2 inch O. D. line is approximately 109,500 feet or 20.75 miles in length including the bay crossing.

It is the intention of the grantor herein to sell and convey, and for the considerations above recited, there is hereby sold, conveyed and delivered unto the grantee herein, said 4 1/2 inch O. D. pipe line as above described, together with all appurtenances thereto, including the down stream side or face of the first cut-off valve adjacent to the pipe line and together with all main line block, gates or valves, all magnesium anodes and other devices and equipment used for cathodic protection of the pipe line and all other pipe line facilities used in connection with, or useful to the operation of, said natural gas transmission pipe line as now located and being operated by the City of Bay St. Louis, Mississippi.

TO HAVE AND TO HOLD the natural gas transmission pipe line and facilities above described unto the said grantee herein, its successors or assigns, forever.

The City of Bay St. Louis, Mississippi, do hereby bind itself, its successors and assigns to warrant and defend against all claims and demands, its successors and assigns, against every person who may lawfully claim or to claim the same or any part thereof.

This instrument is executed pursuant to the authority of, and is subject to the terms and conditions contained in Ordinance No. 110 duly and legally adopted by the Mayor and Commissioners of the City of Bay St. Louis, Mississippi, on the 3rd day of November, 1947, and all other ordinances, resolutions, proceedings and acts had and done in connection therewith, all as shown of record in the Minute Book in the office of the City Clerk of the City of Bay St. Louis, Mississippi.

Witness the execution hereof by the City of Bay St. Louis, Mississippi, acting by and through its duly authorized Mayor and Clerk and with its seal duly impressed hereon, this day of November, 1947.

Notary Public. Section 2. That the City of Bay St. Louis, Mississippi, execute an amendment to the Gas Sales Contract executed by and between the City of Bay St. Louis, Mississippi, and United Gas Pipe Line Company, dated June 16, 1941, as amended, which amendment shall be in substantially the following form:

"THIS AGREEMENT, made and entered into this day of November, 1947, by and between UNITED GAS PIPE LINE COMPANY, a Delaware corporation, hereinafter called 'Seller,' and CITY OF BAY ST. LOUIS, MISSISSIPPI, a municipal corporation of the State of Mississippi, hereinafter called 'Buyer,'

Whereas, Seller and Buyer entered into a contract, dated June 16, 1941, as heretofore amended, relating to the sale and purchase of gas for resale and distribution through Buyer's distribution system in the City of Bay St. Louis, Mississippi, and for resale and distribution directly from Buyer's pipe line referred to in said contract; and

Whereas, Buyer has agreed to convey to Seller, above mentioned, a certain portion of the City of Bay St. Louis, in Hancock County, Mississippi, to a point on Seller's facilities in the vicinity of Gulfport, in Harrison County, Mississippi; and as a consequence thereof, it is necessary to amend the contract of June 16, 1941, as heretofore amended, be further amended in the particulars and to the extent hereinafter set forth.

Now, Therefore, in consideration of the covenants and agreements set forth in Article 4 of this contract, to be kept and performed by the parties hereto, it is agreed by and between said parties as follows:

1. From and after the effective date, hereof, as set forth in Article 4 of this contract, the City of Bay St. Louis, Mississippi, shall be and is hereby amended so that said Article I shall thereafter, in its entirety, read as follows:

"I. Subject to the terms and conditions hereof, Seller agrees to sell and deliver or cause to be delivered to Buyer, and Buyer agrees to purchase and receive from Seller and pay all gas consumed by Buyer, the natural gas transmission facilities, including the system of gas for resale and distribution through its said distribution system and any extensions thereof in the City of Bay St. Louis, Mississippi, and its adjoining environs, (b) all gas consumed by Buyer in connection with the operation of said distribution system, and (c) all gas lost and unaccounted for after delivery to Buyer hereunder."

2. From and after the effective date hereof, as set forth in Article 4 of this amendment, Article II of said contract shall be and is hereby amended so that said Article II shall thereafter, in its entirety read as follows:

"II. The gas to be sold and delivered by Seller to Buyer hereunder shall be delivered to Buyer at the outlet side of the metering and regulating station to be installed by Seller, at a point, to be mutually agreed upon, in the Northwest corner of Lot No. 326, being in Section 20, Township 8 South, Range 13 West, Hancock County, Mississippi, consisting of lots 26, 27, 326 and part of 325, lying South of Uman Avenue, North of Carroll Avenue, and West of closed Toulme Street, all being in Section 29, Township 8 South, Range 13 West, Hancock County, Mississippi.

Buyer agrees to furnish to Seller, free of charge, the use of the premises to be occupied by Seller's said metering and regulating station and all appurtenances thereto, together with the right of ingress and egress at all times for the purpose of installation, operation, repair and removal of said metering and regulating station or tap line."

3. From and after the effective date hereof, as set forth in Article 4 of this amendment Article III of said contract shall be and is hereby amended so that said Article III shall thereafter, in its entirety, read as follows:

"III. The gas to be sold and delivered by Seller to Buyer hereunder shall be delivered at said point of delivery at such pressures (not to exceed sixty (60) pounds per square inch gauge pressure) as may be necessary to meet Buyer's requirements and as can be maintained without more than one stage of regulation by Seller and Buyer agree to receive and take gas hereunder at the pressures in this Article III specified and thereafter to regulate and control said gas for delivery to its consumers."

Seller shall promptly file a copy of this agreement, as a part of Federal Power Commission Rate Schedule No. 47, with the Federal Power Commission, under and in accordance with the provisions of the Federal Power Commission Rules of Practice and Regulations under the Natural Gas Act. Seller has heretofore applied to the Federal Power Commission for a Certificate of Public Convenience and Necessity to acquire and operate said above mentioned pipe line which Buyer has agreed to convey to Seller. This agreement shall not become effective between the parties hereto unless (1) the same is permitted to become effective as a part of Federal Power Commission, and (2) Seller has obtained appropriate Certificate of Public Convenience and Necessity from the Federal Power Commission to acquire and operate Buyer's above mentioned pipe line, and (3) Buyer proper conveyance of Buyer's above mentioned pipe line, conveying good and valid title thereto, to free and clear of all liens and encumbrances, together with all rights of way, easements, franchises and permits pertaining to said pipe line, which are necessary, in Seller's opinion, for the operation of said pipe line. In the event all of the above mentioned conditions (1), (2) and (3) shall have been fulfilled, this agreement shall become effective between the parties hereto on the date on which deliveries of gas are first made by Seller to Buyer hereunder at the delivery point set forth in Article 2, hereof, which shall be not later than thirty (30) days after all of said conditions (1), (2) and (3) shall have been fulfilled.

5. Except as herein specifically changed and amended, said contract of June 16, 1941, as heretofore amended, shall remain the same and continue in full force and effect as written.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed in duplicate originals by their respective corporate officers thereunto duly authorized and their respective corporate seals to be hereunto fixed on the date and year first hereinabove written.

UNITED GAS PIPE LINE COMPANY
By _____ Vice President
ATTEST: _____ Secretary
CITY OF BAY ST. LOUIS, MISSISSIPPI
By _____ Mayor
ATTEST: _____ City Clerk

SECTION 3: That the Mayor and Clerk of the City of Bay St. Louis, Mississippi, and acting for and on behalf, be and they are hereby authorized, directly or indirectly, to execute the conveyance set out in Section 1 hereof and the amendment to the Gas Sales Contract, as amended, set out in Section 2 hereof and they are hereby given full and plenary power and authority after such execution to deliver said conveyance to United Gas Pipe Line Company upon receipt of the cash consideration of One Dollar (\$1.00) and upon receipt of the amendment to the Gas Sales Contract as amended, set out in Section 2 hereof, by United Gas Pipe Line Company, its duly authorized officers, and said Mayor and said Clerk are further given full and plenary power and authority on behalf of the City of Bay St. Louis, Mississippi to do anything necessary or required in carrying out the provisions hereof.

SECTION 4: That the Clerk of this Board be and he is hereby authorized and directed to publish a complete copy of this resolution once each week for three consecutive weeks in the Sea Coast Echo.

SECTION 5: The City of Bay St. Louis, Mississippi, does hereby declare its intention to sell its natural gas transmission line, above described, on the terms and conditions hereinafter set out, and does hereby notify the public and the qualified voters of the City of Bay St. Louis, Mississippi, that said natural gas transmission line will be sold and disposed of subject to such terms and conditions, and said Gas Sales Contract, as amended, will be amended as hereinabove set out, on or after the 10th day of December, 1947, unless within ten (10) days after the last publication of said notice a petition signed by not less than twenty per centum of the qualified voters of the municipality is filed, objecting and protesting against such sale and disposition.

SECTION 6: This ordinance shall take effect and be in force as provided by law.
ADOPTED:
G. Y. BLAIZE
Mayor of the City of Bay St. Louis, Mississippi.
H. GRADY PERKINS
Clerk of the City of Bay St. Louis, Mississippi.
(SEAL)

The foregoing ordinance of the City of Bay St. Louis, Mississippi, having been first reduced to writing, was introduced 8 o'clock in the forenoon, was finally adopted by the Council and read by the Clerk at a regular meeting of the Council, and thereupon the same remained on file with the City Clerk for public inspection for at least two weeks before the final passage and adoption thereof. On motion of Commissioner H. Grady Perkins and seconded by Commissioner W. L. Bourgeois, the same was read and considered by sections, and on motions made and seconded, each of said sections was separately considered, voted upon, approved, passed, and adopted; thereupon the question came up for consideration on the adoption and passage of said ordinance as a whole; on motion made by Commissioner H. Grady Perkins and seconded by Commissioner W. L. Bourgeois that said ordinance be passed and adopted, the vote on final passage was as follows:

AYES: G. Y. Blaize, Mayor, H. Grady Perkins, W. L. Bourgeois.
NAYS: None.
Whereupon said ordinance was declared duly passed and adopted.
G. Y. BLAIZE
Mayor of the City of Bay St. Louis, Mississippi.
H. GRADY PERKINS
Clerk of the City of Bay St. Louis, Mississippi.
(SEAL)
CHANCERY SUMMONS
STATE OF MISSISSIPPI
To G. W. Brock.
You are summoned to appear before the Chancery Court of the County of Hancock, in said State, on the Fourth Monday of February, A. D. 1948, to defend the suit No. 5385 in said Court of Vera Peterson Brock, wherein you are a Defendant.
This 4th day of November, A. D. 1947.
(SEAL) A. G. FAVRE, Clerk.

VETERANS' NEWS
World War II Veterans desiring to study abroad can qualify for benefits at the same time under both the G-1 Bill and the Fulbright Act administered by the State Department, the Veterans Administration ruled this week.

The VA ruling held that payments of education and training benefits under the G-1 Bill may be made to student-veterans regardless of any grants made to them under the Fulbright Act, since the funds used to administer the Fulbright Act were not secured from United States government appropriations.

The Fulbright Act, passed by the 18th Congress, provides for grants in aid to American students for study abroad or to foreign students for study in this country with costs defrayed by credits acquired through sale of surplus property abroad.

The Act also specifies that veterans of World Wars I and II must be given preference by the 10-man Board of Foreign Scholarships which awards the study grants.

It is hoped that a limited number of grants will be made under the Fulbright Act for academic year 1948-49. Applications are not being received at this time, but persons desiring information on the program may obtain it from the Division of International Exchange of Persons, Department of State, Washington, 25, D. C.

QUESTIONS AND ANSWERS
Q—I am a World War I Veteran and would like to know if I am eligible for medical care and hospitalization in a Veterans Administration hospital?
A—You are eligible for hospitalization in a VA hospital if you have

recent interview. "With feed prices continuing to be high, another important way to cut the cost of feeding is to cull all 'boarders' in poultry flocks and dairy herds, and keep only high producing animals," continued Mr. Landau, "and Gibbons Farm Servicemen are ready at all times to render this, and other helpful, services absolutely free."

Mr. Landau emphasized that only choice birds should be put in the laying house this winter. Pullets that have failed to measure up in growth and body weight should be sold. Poultrymen are finding it of vital importance to cull "boarders" from the flocks, to get rid of those birds that eat the same amount of feed, but fail to produce their quota of eggs. A cow that gives a half-gallon of milk cost almost as much to feed as a cow that yields three gallons.

"We have increased the staff of our Farm Service Division, not only to assist in culling non-producers, but to help farmers in getting rid of parasites infecting their poultry and livestock," said Mr. Landau. He pointed out that, according to agricultural authorities, 80% of all poultry on the farm have one or more parasites, and this is a problem which the Southern farmer must constantly battle.

A card, letter, or phone call to J. T. GIBBONS, INC., NEW ORLEANS, or your local Gibbons dealer, will bring you the valuable services of a Gibbons Serviceman absolutely free. There is neither charge nor obligation for his service.

By offering high quality feeds which sell for considerably less than premium-priced feeds of no better quality, shipped in from other areas by making available at no cost the services of competent, Southern-trained servicemen, J. T. Gibbons Inc., is proving their interest in the welfare of the Southern farmer.

Brothers of Sacred Heart Issue Monthly Publication

For the purpose of maintaining the interest of friends and benefactors in the educational and missionary activities of the Brothers of the Sacred Heart, the Community in the United States Province is publishing a monthly publication named "BROTHERS OF THE SACRED HEART." The first issue carrying a November 1947 date line has been distributed, and Brother Gilbert, Provincial of the Order in the United States, sanctioned the publication with the following statement: "A hundred years ago the pioneer Brothers of the Sacred Heart began their work in the United States; the hundredth anniversary of that event has been fittingly observed. As the Brothers of today enter upon a new century of Service for God and Country, they dedicate themselves to the high purpose of their community; they invite their many friends to be their auxiliaries in the attainment of those high purposes. To maintain and sustain the interest essential to such a function is the primary purpose of the Province publication, BROTHERS OF THE SACRED HEART, being inaugurated with this issue."

There is no subscription rate for the publication, and it is to be supported by voluntary good will offerings from its readers. Checks or money orders may be mailed to the Brothers of the Sacred Heart, at 252 Government Street, Mobile, Ala.

Hundreds of Echo readers are still seeking hard-to-get articles. A buyer for that spare bed, discarded lawn mower, or what-have-you will see your message in the Echo's classified column. Only 10c per line. 30c minimum.—Advt.

IF TOES ITCH Skin Cracks, Gets Red, Burns HERE IS A SOOTHING AND EFFECTIVE TREATMENT FOR ATHLETE'S FOOT

1—Neurabalm acts promptly to relieve excruciating pain... itching. 2—It kills all FIVE of the fungi which usually cause Athlete's Foot on contact. 3—It dissolves the hot, excessive perspiration on which Athlete's Foot fungi grow and thrive. 4—It promotes healing of raw, cracked, peeling or soggy skin between toes and on the feet.

The reason Neurabalm is so effective in relieving Athlete's Foot is that it gets at the seat of the trouble by killing all FIVE of the common fungi on contact! These highly infectious place molds and parasites grow and thrive on hot, perspiring feet. So here, too, Neurabalm is effective in helping keep down excessive perspiration. Further, its soothing, analgesic ingredients work FAST to relieve pain and itching.

Help! Guard Against Re-infection! Treat your feet to a rub with Neurabalm to kill off these fungi and to help prevent a painful and serious case from developing. Neurabalm is delightful to use! It leaves the skin clean and refreshed... it is greasy, non-sticky... does not stain the skin... blisters... not destroy tissue. Get a bottle today! See how quickly it brings soothing, welcome relief. Read directions in package for other valuable information. At drugstores in 25¢ and \$1.25 bottles. Also grand for sore, aching muscles... tired, burning feet... sunburn... bruises... itching skin.

UNITED GAS' GWINVILLE-BROOKHAVEN LINE NEARS FINISH

In keeping with its long range program of extending natural gas service to an ever-increasing number of cities and towns in Mississippi, United Gas Pipe Line Company is nearing completion of a 34-mile, 6-inch pipe line from the Gwinville field in Jefferson Davis County, to its Jackson-Magnolia line. The two lines intersect at Brookhaven. Completion of this line will bring dependable natural gas service to Monticello and Silver Creek, and will supplement the supply of gas to Terry, Crystal Springs, Hazlehurst, Wesson, Brookhaven, Summit, McComb and Magnolia, according to J. D. Davis, Jackson district manager. The above scenes, taken recently about eight miles east of Brookhaven, show (1) ditching machine opening a trench

in which pipe will be laid; (2) crewmen laying pipe in ditch with aid of a boom operated from the side of a tractor; (3) a long range view of ditching machine and pipe-laying tractor working near the crest of a hill; (4) a crew lining up pipe for welding; and (5) a section of the completed pipe line before trench is filled in. These pictures show the difficult terrain, which included lowlands, river crossings, high hills and deep gullies, over which this new pipe line was laid. To insure dependable service, dual 6-inch river lines were installed across Pearl River in Lawrence County. Routing of the new transmission line required 19 railroad, highway and rural road crossings. Actual work was begun on this line September 8, 1947.
